April 6, 2026

I, Omkar Sudhir Patil, hereby declare the following to be a true and accurate account of my employment history in the United States within the past six years, including dates of employment, employer, job title, and immigration status under which each position was held.

Dates of Employment	Employer	Job Title	Visa Classification
September 5, 2019 to May 15, 2023	University of Florida Department of Mechanical & Aerospace Engineering MAE-A 231, 939 Sweetwater Drive Gainesville, FL 32611	Graduate Research Assistant	F-1 Student
May 16, 2023 to May 15, 2024	University of Florida Department of Mechanical & Aerospace Engineering MAE-A 231, 939 Sweetwater Drive Gainesville, FL 32611	Postdoctoral Research Associate	F-1 OPT (Post- Completion)
May 16, 2024 to October 9, 2025	University of Florida Department of Mechanical & Aerospace Engineering MAE-A 231, 939 Sweetwater Drive Gainesville, FL 32611	Postdoctoral Research Associate	F-1 STEM OPT Extension
October 10, 2025 to Present	University of Florida Department of Mechanical & Aerospace Engineering MAE-A 231, 939 Sweetwater Drive Gainesville, FL 32611	Research Assistant Scientist	F-1 STEM OPT Extension (through May 15, 2026; transitioning to approved H-1B status effective May 16, 2026)

There were no gaps in employment between any of the above positions. All positions were held at the same employer, the University of Florida, with continuous employment from September 5, 2019 to the present.

Throughout my employment in the United States, I have maintained valid immigration status at all times. My F-1 post-completion OPT was authorized based on the completion of my Ph.D. in Mechanical Engineering from the University of Florida in May 2023. The 24-month STEM OPT extension was subsequently approved effective May 16, 2024. My H-1B status has been approved with an effective date of May 16, 2026, sponsored by the University of Florida. I am currently employed under F-1 STEM OPT authorization and will transition to H-1B status on that date.
